High quality services for your health

With our compliments

FROM THE START OF YOUR PREGNANCY AND UP TO EIGHT WEEKS AFTER YOU GIVE BIRTH (WITH NO LIMIT TO THE NUMBER OF CONSULTATIONS AND DEPENDING ON AVAILABILITIES)

- Fasciatherapy (a gentle form of osteopathy) sessions for you and your baby.
- Acupuncture sessions.

BEFORE THE BIRTH

- Personalised tour of our maternity ward accompanied by one of our midwives.

DURING YOUR STAY

- Complimentary side bed for the father of your child (exclusively in private rooms).
- A meal for you and the person of your choice in our restaurant La Véranda while the team on the maternity ward looks after your baby.
- A “Petit Bateau” Babygro for your baby.
- A toiletry bag with all the basic necessities for you.
- A toiletry bag filled with quality products for your baby.
- Free parking for your introductory visit to the maternity ward and on “D-Day”.

- Your child’s birth announcement on our website as well as in the “24 heures” daily newspaper.
- A photograph of your baby taken by a professional photographer.

AFTER THE BIRTH

- Course on how to carry your baby in a sling.
- Course on how to massage your child.
- A voucher for a 50-minute relaxation massage with access to the Spa at the Royal Savoy Hotel, Lausanne.
- An invitation for 2 people to Vidy Theatre, Lausanne.

Complimentary
acupuncture
sessions,
unrestricted number of
consultations (depending
on availabilities)

Complimentary
fasciatherapy
(a gentle form of
osteopathy) sessions
for you and your baby.

What your insurance covers

YOUR PRIVATE OR SEMI-PRIVATE INSURANCE COVERS

- Personalised support during your pregnancy and childbirth by your gynaecologist and our midwives.
- Classic, pool or Fit Ball® antenatal classes¹ given by our midwives.
- Accommodation in a private or semi-private room (1 or 2 beds).
- Advice on feeding and caring for your baby given by our breastfeeding advisor during your stay.
- Dietary and diabetology advice on request during your stay.

YOUR BASIC INSURANCE COVERS UPON PRESCRIPTION

- Pelvic floor re-education sessions given by our midwives who are certified in urodynamics.
- Personalised dietary advice² during your pregnancy and after your stay.
- Advice from our diabetology nurse if you suffer from gestational diabetes.

¹ Basic health insurance partially reimburses the classes. Some complementary insurances cover the difference.

² As prescribed by your physician.

These benefits are reserved exclusively
for our patients.
